

Dynamic Learning Dialogue (DLD)

Fall 2022

Are you....

- ...a seasoned faculty member looking to tweak a course you've taught multiple times?
- ...teaching a new Civitae course and want to take the class temperature mid-semester?
- ...wondering about a quirky vibe you're getting from a class?

If so, your course is perfect for a Dynamic Learning Dialogue.

The DLD gives you rich qualitative feedback from your students before the midterm regarding the learning environment in a course. You'll have the raw material for focused reflections on their learning and your teaching; use the information to enhance classroom interactions, student learning, and teaching

All information and participation is confidential.

CAFE will conduct DLDs between September 19 - October 5.

There are a limited number of slots available.
