

OFF CAMPUS HOUSING

Who is Eligible to reside off-campus?

New first-year students that have resided in Longwood managed housing for at least **3 years** (in most circumstances – a rising Senior) are eligible to submit the off-campus intent form.

To live with a private landlord submit the intent form

February 2 - February 6 in the housing gateway.

All current first-year students (New Freshmen) are required to live in University managed housing for **3 years** and are **not eligible** for release off-campus. This means that all second and third year students (typically a rising sophomore & Junior) must participate in the Longwood housing registration process to register for a residence hall room or an apartment at Lancer Park, Lancer Park North/South or Longwood Landings.

12 - MONTH HOUSING & SUMMER STORAGE

Students that squat their current apartment space for the 2026-2027 academic year will have the option to select 12-month housing/summer storage at **no additional cost** to the student. This means that the student is eligible to occupy the apartment or store personal items over the summer months.

ROOMMATE GROUPS

The process to pull-in roommates during the housing registration process is completed through the use of the Roommate Group Form. Students will need to establish a roommate group through a form in the student housing gateway prior to their designated registration date. One student will establish the group through the use of the Roommate Group Form to invite students to join the group. Those invited students will utilize the Roommate Group Form to accept the invitation to join the group prior to the designated day to register for housing. Only group members that have accepted the invitation can be assigned as roommates during the registration process.

LANCER PARK COMMUTER PARKING PERMIT

Residents of Lancer Park, Lancer Park North, & Lancer Park South that purchase a parking permit will have expanded parking privileges on the main campus. The parking permit will allow residents to park their vehicle at Lancer Park & in the commuter parking spaces on the main campus. The FAB will continue to provide transportation from Lancer Park to the main campus, but residents have the added convenience of parking in the commuter lots.

NO FULL OCCUPANCY REQUIREMENT

Students are eligible to register for an apartment without full occupancy, but are encouraged to fill the apartment to full occupancy.

Any open spaces within registered apartment units will be assigned by the RCL office.
